Goal Review Worksheet

Goal statement:

Goal Review	Yes	No	Comment
Is the goal measurable to reflect growth?			
Is the goal specific and clearly stated?			
Does it relate directly to student achievement?			
Is it annual reflecting an increase over the previous year?			
Is the goal linked to year-end assessment or other standards-based assessment?			
Is it written in simple, direct language?			
Does this goal address a priority of the school?			
Should this goal be a part of the school improvement plan?			
Is the timeline being met?			
Was the target met by all subgroups?			
Are indicated resources still available and being used?			
Have barriers or challenges occurred since the last review?			
Is progress being publicized?			

Make any revisions necessary to the goal and action plan.
